“GOOMBY”

First Run Reality Weekly Half Hour Barter Series – Available Fall 2013!

Starring John Pyle

World famous skateboarder, John Pyle, is the star of “GOOMBY” – a new hybrid reality/scripted television series (think **ENTOURAGE** meets **REVENEGE of THE NERDS**)! The show’s format - outrageous and wacky – takes the viewer on a ‘day in the life’ of John Pyle, skateboarder extraordinaire, yes, but also a successful entrepreneur as founder/CEO of **GOOMBY SKATEBOARDING**, one of the largest manufacturers of custom skateboards in the US! “GOOMBY”, the series, will be an instant hit with young demos!
